

mystyle Q&A: Giuliana Rancic

Today 2:00 PM PST by DANIELLE DATU

Giuliana Rancic, star of *Style's* *Giuliana & Bill* and host of *E! News*, gave us a peek at her personal style at the launch of the All Love Is Equal T-shirts at Kitson. Proceeds benefited the campaign to repeal Prop 8.

What She's Stylin': I'm wearing a Aryn K. jacket, LnA leggings, Vince top, Brian Atwood shoes and Loree Rodkin jewelry. **Michelle Obama** wore these exact earrings during the inauguration! Could you die?

Fashion Philosophy: I'm really girlie on *E! News*. I wear a lot of dresses. I feel like people like that—the dresses and cuteness. But in real life, I dress almost like a guy. I like leather jackets and a lot of black, but I definitely pair everything with superhigh heels.

Shoe Fetish: I'm into thigh-high boots right now. I just got the sickest pair by Balenciaga. They're unbelievable!

To Dye For: A lot of people go darker in the winter, but I went lighter for some odd reason. I'm enjoying it. I think deep down inside, **Bill** secretly prefers blondes.

Beauty Tip: **Lorac's bronzer/blush duo** is my favorite thing because I think that as long as your cheeks look healthy and flush and pretty, then you look done up.

Workout Chic: Bebe has a sportswear line called **PH8**. It even includes gym clothes. I'm digging it! It has really cool deconstructed vinyl pieces that look futuristic. You couldn't get that stuff at Bebe a few years ago!

He Say, She Say: If Bill likes what I'm wearing, he will say it. Otherwise, he usually won't say anything! He would *hate* these leggings that I have on right now. He's seen me in them a couple of times before and he thinks it's a costume. He says, "You look like **Mick Jagger!**" But I love it! That's an amazing compliment to me.
